More than 8 participants? Attach a list with the same columns. Maximum 20 participants per batch.

06 Before the day

Each participant builds their own app, so please confirm

- ☐ Each participant brings a laptop (with charger) that can open a web browser.
- ☐ Each participant has a PAID account on Claude, ChatGPT or Gemini. Claude is recommended.
- ☐ Each participant comes with one work process to turn into an app (e.g. leave, claims, stock, sales follow-up).

AI ACCOUNT YOUR TEAM WILL USE

☐ Claude ☐ ChatGPT ☐ Gemini ☐ Not sure yet

07 Authorisation

To be signed by an authorised company representative

We register the participants above for Building Workplace Apps and Dashboards with Generative AI on the batch selected. We understand that a seat is confirmed only when Corporate Training Malaysia confirms it in writing, and that, where HRD Corp funding is used, the grant must be applied for before the training date. We consent to Pad Synergy Consultancy Sdn Bhd processing the personal data in this form for registration, HRD Corp claims and training administration, in line with the Personal Data Protection Act 2010.
